

Annual report:

***"TOGETHER WE INSPIRE, TOGETHER WE ACHIEVE"***

***"Small steps taken every day lead to great achievements."***

**INTRODUCTION**

With immense pride and gratitude, we present the Annual Report of Rosemary Public School, Sunam for the academic session 2025–26. This report reflects the school's commitment towards academic excellence, holistic development, discipline, innovation, and value-based education.

The year 2025–26 has been a journey of learning, achievement, creativity, and growth. Our school continued its mission of nurturing young minds through quality education and co-curricular opportunities while maintaining a safe, inclusive, and inspiring environment for all learners.

Rosemary Public School, affiliated with CBSE, believes in empowering students with knowledge, confidence, leadership qualities, and moral values so that they become responsible citizens of tomorrow.

***"Education is not the preparation for life; education is life itself."***

Rosemary Public School is a well-established and reputed Senior Secondary institution affiliated with the Central Board of Secondary Education. Located in the serene and pollution-free surroundings of Sunam Block-I, the school campus spreads across more than two acres of lush green land, providing an ideal atmosphere for meaningful learning and holistic growth.

Since its inception, the school has remained committed to nurturing young minds through quality education, strong values, and a progressive outlook. The institution believes that education is not merely confined to academic achievement but should also focus on developing confidence, creativity, discipline, leadership qualities, and a spirit of social responsibility among students.

The Annual Report reflects the collective efforts, achievements, and milestones accomplished during the academic year while also encouraging us to introspect and identify areas for further improvement. Every accomplishment motivates us to continue striving for higher standards of excellence in all spheres of education and personality development.

At Rosemary Public School, equal emphasis is laid on academics, sports, co-curricular activities, and life skills education. The school provides students with a wide range of educational and social experiences suited to their age, aptitude, and individual needs. Through innovative teaching practices and student-centred learning, the institution continuously works towards creating an environment where learners can discover their hidden talents and realise their true potential.\*

The school strongly upholds the values of honour, faith, integrity, and excellence while preserving the rich essence of Indian culture and heritage along with a modern and scientific outlook. Continuous efforts are made to instil moral values, positive attitudes, and self-confidence in students so that they are well prepared to face the challenges of life with determination and optimism.

At Rosemary Public School, we aspire to create a happy, caring, safe, and dynamic learning community where every child is encouraged to dream big and work hard to achieve success. We consistently set high standards and goals for ourselves and strive to attain excellence in academics, sports, discipline, leadership, and all other areas of school life.

The school website-Rosemary public school's website <http://rosemaryschool.in> provides a medium for communication and interaction.

**SCHOOL APP** Keeping ourselves up with the pace of the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community.

Having the school completely digitized has in numerous advantages to the parents, teachers and the school itself. Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the **SCHOOL CLASS ON APP**.

**APEX SECURE PRO APP** allows parents to track school buses in real-time and view the current location of the child's bus. Children safety is most important, which is why Apex Secure Pro is only accessible for parents.

## FOREWORD BY THE PRINCIPAL

It gives me great pleasure to present the Annual Report for the academic session 2025–2026. This report showcases the significant accomplishments and activities of our institution throughout the year and reflects our continued commitment to providing quality education and all-round development for our students.

The past year has been filled with learning, progress, and meaningful achievements. In an ever-changing educational landscape, our school has remained dedicated to fostering academic excellence while also encouraging creativity, discipline, confidence, and strong moral values among students. We firmly believe that education should prepare children not only for examinations but also for life, enabling them to become responsible and capable individuals.

This year, we continued to strengthen our academic practices in accordance with the latest CBSE curriculum and educational reforms. Our teachers adopted innovative and student-centred approaches to make learning more interactive and effective. At the same time, equal emphasis was placed on co-curricular activities, sports, cultural events, and leadership opportunities to ensure the holistic growth of every learner.

The achievements mentioned in this report are the outcome of sincere teamwork and dedication. I express my heartfelt appreciation to our teachers and staff for their untiring efforts, to the parents for their valuable cooperation and trust, and to the management for their constant encouragement and support. I also congratulate our students, whose enthusiasm, discipline, and hard work continue to bring laurels to the institution.

As we look ahead, we remain committed to creating a positive and inspiring learning environment where every student is encouraged to dream big, work hard, and uphold the values of integrity and compassion. Together, we shall continue to strive for greater success and excellence in the years to come.

*"Success is not the destination; it is the journey of courage, perseverance, and the determination to move forward despite every challenge."*

## ACADEMIC EXCELLENCE

*"Knowledge empowers the mind, discipline strengthens character, and perseverance leads the way to success."*

Academic excellence remains one of the strongest pillars of our institution. The exceptional performance of our students in the Class X and XII Board Examinations is a reflection of their sincere efforts, commitment, and determination, along with the constant guidance of their teachers. We take immense pride in announcing that the students of the 2024–25 batch achieved remarkable results and brought distinction to the school through their hard work and dedication. Their success not only adds glory to the institution but also motivates other students to pursue excellence in every sphere of life.

The remarkable achievements of our students are the result of the tireless efforts, dedication, and guidance of our teachers, who work with sincerity and commitment towards the overall development of every child. We also express our heartfelt gratitude to the parents and well-wishers whose continuous encouragement, faith, and cooperation have always strengthened our journey towards excellence.

Although we celebrate our success, we continue to strive for even better results and higher goals. With a strong determination to achieve new milestones, the school has introduced various academic initiatives such as special coaching classes for Board students, regular class tests, revision programmes, remedial support, and counselling sessions to help students perform to the best of their abilities.

*"A teacher's guidance, encouragement, and inspiration remain the strongest force in shaping young minds and building a successful future."*

## CAPACITY BUILDING PROGRAM FOR TEACHERS

A competent and motivated teacher plays a crucial role in shaping student achievement and overall school development. Like any other specialized profession, teaching requires continuous learning and regular upskilling. Teachers need appropriate training before entering the classroom, as well as ongoing professional development throughout their service to effectively meet the evolving demands of modern education. Such continuous training not

only strengthens the confidence and skills of new educators but also helps experienced teachers refine their methods and stay updated with current pedagogical practices.

With the aim of ensuring joyful, engaging, and effective learning experiences for students, Rosemary Public School consistently encourages and facilitates structured training programmes for its teaching faculty.

To enhance professional growth and update academic knowledge, the school organized a series of teacher training sessions covering key areas such as moral values, life skills (as guided by Central Board of Secondary Education), meditation and stress management, English language development, Mathematics pedagogy, gender sensitivity, and the concept of happy classrooms. In addition, teachers participated in various workshops and training programmes conducted by other institutions, gaining valuable exposure to innovative and effective teaching practices.

The faculty members who attended these programmes shared their learning with fellow teachers, thereby extending the benefits across the entire teaching community. The school also successfully conducted two Capacity Building Programmes (CBPs) focused on Art Integration and Promoting Mental Health and Wellness among Students, which further strengthened teachers' ability to create inclusive, positive, and student-friendly learning environments.

These continuous efforts towards professional development reflect the school's commitment to academic excellence and the creation of a joyful, safe, and enriching learning atmosphere for all students.

***A real teacher is one who realizes that he/she must always be a learner.***

In an effort to better themselves, a considerable number of our teachers have acquired degrees in B.Ed, M.Ed as well as other professional degrees in their pursuit of knowledge.

#### **CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES:**

***"Today's readers grow into tomorrow's leaders."***

At Rosemary Public School, students are continuously encouraged to take part in a variety of intra-school and inter-school competitions and activities. A supportive and stimulating environment is created to help learners build confidence, enhance knowledge, and achieve overall personality development. Along with individual participation, group activities are regularly conducted to promote cooperation, teamwork, and leadership qualities among students.

***"Active involvement not only builds strength and confidence but also nurtures positivity and self-belief in a continuous cycle of growth."***

The academic session 2025–26 was marked by enthusiasm, joy, and vibrant participation, especially among the students of the pre-primary and primary sections. They actively engaged in activities such as dance, singing, storytelling, fancy dress competitions, and other creative events. National festivals and important occasions were celebrated with great fervour, often accompanied by musical and orchestral performances that helped instil patriotism and respect for the nation.

The school strongly believes in value-based education and cultural awareness. Morning assemblies play a significant role in fostering discipline, unity, and a sense of belonging. Themes are assigned to different classes, and special days are observed weekly to make

assemblies more meaningful and engaging. House-wise recognition is given for outstanding assembly presentations, encouraging healthy competition among students.

Festivals including Ram Navami, Baisakhi, Teej, Raksha Bandhan, Ganesh Chaturthi, Teachers' Day, Dussehra, and Diwali were celebrated with great enthusiasm, helping students appreciate India's diverse traditions and cultural heritage.

To encourage creativity and innovation, students participated in monthly activities such as flower making, vegetable printing, drawing, poster designing, chart preparation, and cartoon creation. Various competitions like best out of waste, bottle garden making, cooking without fire, painting, speech delivery, calligraphy, storytelling, reading competitions, and spell bee were also conducted to enhance their skills.

To improve general awareness and critical thinking, regular quiz competitions and current affairs sessions were organized. An inter-school competition under the Sahodaya Group provided students with an opportunity to showcase their talents at a broader platform.

In order to prepare students for future challenges, motivational talks, outreach programmes, and awareness sessions were conducted on emerging technologies such as Artificial Intelligence, Blockchain, Cyber Security, 3D Printing, and Robotics. The school also hosted Science and Art Exhibitions, where students displayed their innovative ideas and creative projects.

Health and safety remained a key focus, with dental check-up camps and vaccination drives organized for students. Various awareness initiatives such as "Youth Against Drugs," cycle rallies, visits from Brahma Kumaris, magic shows by the Red Cross, and campaigns like "Say No to Chinese Dor" were also conducted to promote responsible citizenship.

National festivals such as Independence Day, Republic Day, Teachers' Day, and Children's Day were celebrated with pride and patriotic spirit. Educational excursions and field trips were arranged for different classes, including visits to Rishi Water Park for Nursery to Class I, trips to Nainital for Classes VIII to XII, and planned excursions for Classes VI to XI to provide experiential learning beyond the classroom.

Regular formative assessments, unit tests, and Parent-Teacher Meetings were conducted to track student progress and ensure continuous academic improvement. Events such as the Investiture Ceremony, online training programmes, farewell function for Class XII, and career guidance workshops for board students further supported holistic student development.

These activities form an essential part of school life, reinforcing classroom learning while nurturing creativity, confidence, and overall personality development. The school believes that consistent effort, practice, and determination lead to excellence in every field of life.

#### INVESTITURE CEREMONY

**“Leadership is the ability to transform vision into reality.”**

The Investiture Ceremony marks the formal induction of student leaders, empowering them with responsibility, authority, and dignity. Through this occasion, the newly appointed leaders of the academic session are entrusted with the duty of guiding and coordinating various curricular and co-curricular activities, while working collaboratively to introduce new initiatives and ensure their successful execution.

The ceremony establishes a structured student leadership system that enables students to actively participate in the functioning of the school in coordination with teachers and peers. It provides them with valuable opportunities to develop essential life skills such as leadership, decision-making, problem-solving, creativity, and effective communication.

During the event, the School Prefectorial Board is constituted through a careful selection process involving interviews and evaluation. This process helps students experience a sense of responsibility and an understanding of administrative functioning. Selected students are formally honoured with badges and responsibilities, including positions such as Head Boy, Head Girl, House Captains, and Sports Captains. They also take an oath to perform their duties with sincerity, dedication, and integrity.

The Honourable Principal, Mrs. Nirmla Rani, addressed the newly appointed leaders and encouraged them to carry out their responsibilities with honesty, commitment, and enthusiasm, inspiring others through their actions and becoming role models for the student community.

#### CONCLUSION: -

We believe that every academic year brings new opportunities for growth, learning, and positive change. With strong values, determination, and a firm sense of ethics, we are confident of overcoming challenges and contributing meaningfully to the advancement of the education sector as well as society at large. Our consistent endeavour has been to create an enriching school environment where young minds are encouraged to flourish, think independently, and achieve holistic development of their personality.

The academic session has witnessed continuous efforts in restructuring, refocusing, and strengthening teaching-learning processes. Regular remedial teaching, extra classes, revisions, unit tests, assignments, and project work have kept students, teachers, and parents actively engaged throughout the year, ensuring consistent academic progress and improvement.

The collective success of the school is the result of the dedicated efforts of students, committed teachers, supportive parents, and timely guidance from all stakeholders associated with the institution. Our vision is to emerge as one of the leading schools in the community,

widely recognized as a progressive and value-based institution that nurtures character, discipline, and ethical leadership among students in their pursuit of excellence.

We aspire that every student develops a strong sense of respect, responsibility, and commitment towards both academic achievement and civic values. As we present the annual overview of our activities, we take pride in the sincere efforts made by our staff and students, who have consistently strived to go beyond their potential and achieve commendable success.

Our focus remains firmly on the holistic development of learners, ensuring balanced growth in academics, arts, culture, sports, and life skills. We envision our institution as a model of excellence that is known for nurturing well-rounded individuals who uphold integrity and contribute positively to society.

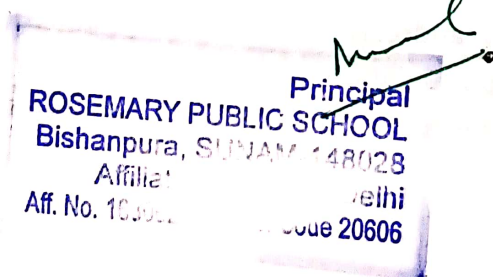

*"Excellence is not a destination, but a continuous journey of learning, improvement, and perseverance."*
